STATEMENT OF FACTS

On January 9, 2007, Mark V. Muller of Schweggman, Lundberg, Woessner & Kluth, P.A. filed a Petition Request for Withdrawal as Attorney or Agent and Change of Correspondence Address with the United States Patent and Trademark Office (USPTO) for application 10/676,178 on behalf of applicant Shahrokh Shahidzadeh. The Petition requested withdrawal of Mr. Muller and other attorneys/agents of record and a change of correspondence address for the application to J.T. Kalmay of McDonald Hopkins LLC. On February 23, 2007, before approval of the above mentioned Petition, the USPTO issued a Final Office Action on the application. Since the Petition was not yet approved, the Office Action was mailed to Schweggman, Lundberg, Woessner & Kluth, P.A. The Request to Withdraw was approved on June 25, 2007. However, the Change of Correspondence Address was not approved. The Final Office Action was not received by J. T. Kalmay of McDonald Hopkins LLC until October 5, 2007, after the application had gone abandoned for failure to response to the Office Action.

The entire delay in filing the required reply from the due date for the reply until the filing of a grantable petition pursuant to 37 C.F.R. 1.137(b) was unintentional. The previously filed Petition (Appendix A) included a reply to the outstanding office action and a check for the petition fee under 37 C.F.R. 1.17(m).

The previously filed Petition was dismissed (Appendix B) because it lacked a statement that the entire delay in filing the required reply was unintentional. This request includes the original statement and, as suggested in the dismissal, a supplemental statement from Schweggman, Lundberg, Woessner & Kluth, P.A. (Appendix C). Applicant therefore respectfully asserts that the petition is now complete and that the application is in condition for revival.

Therefore, the entire delay in filing the required reply from the due date for the reply until the filing of a grantable petition pursuant to 37 C.F.R. 1.137(b) was unintentional. Additional statements concerning the unintentional nature of the abandonment are provided in Appendix C.

ON PETITION

This is a decision on the petition under the unintentional provisions of 37 CFR 1.137(b), filed October 12, 2007, to revive the above-identified application.

The petition is **DENIED**.

Any request for reconsideration of this decision must be submitted within TWO (2) MONTHS from the mail date of this decision. Extensions of time under 37 CFR 1.136(a) are permitted. The reconsideration request should include a cover letter entitled "Renewed Petition under 37 CFR 1.137(b)." This is not a final agency action within the meaning of 35 U.S.C. § 704.

The application became abandoned for failure to timely file a reply within the meaning of 37 CFR 1.113 to the time Office action of February 20, 2007. The proposed reply required for consideration of a petition to revive must be a Notice of Appeal (and appeal fee required by 37 CFR 41.206(b)(2), an amendment that *prima facie* places the application in condition for allowance, a Request for Continued Examination and submission (37 CFR 1.116), or the filing of a continuing application under 37 CFR 1.53(b). See MPEP 711.03(c)(IX)(A)(2).

A grantable petition under 37 CFR 1.137(b) must be accompanied by: (1) the required reply, unless previously filed; (2) the petition fee as set forth in 37 CFR 1.17(c); (3) a statement that the entire delay in filing the required reply from the due date for the reply until the filing of a grantable petition pursuant to 37 CFR 1.137(b) was unintentional; and (4) any terminal disclaimer (and fee as set forth in 37 CFR 1.206(d)) required by 37 CFR 1.137(d). Where there is a question as to whether either the abandonment or the delay in filing a petition under 37 CFR

Application No. 10676,178

Page 2

1.137 was unintentional, the Director may require additional information. See MPEP 711.03(e)(1)(C) and (D). The instant petition lacks a proper item (3).

The record indicates that Schweigman, Lundberg, Woessner & Kluft, P.A. was responsible for prosecution of the application when the reply necessary to avoid abandonment was due. Therefore, petitioner must provide a statement from Schweigman, Lundberg, Woessner & Kluft, explaining why action was not timely taken to prevent the application from becoming abandoned.

Petitioner is advised to send a letter (accompanied by a copy of this decision) to Schweigman, Lundberg, Woessner & Kluft, P.A. at P. O. Box 2918, Minneapolis MN, 55402, by certified or registered mail (return receipt requested) indicating that the U.S. Patent and Trademark Office (USPTO) is requesting assistance in ascertaining the cause of abandonment of the above identified application, and that the USPTO is requesting that Schweigman, Lundberg, Woessner, & Kluft, P.A. provide within a specified period (e.g., one month) a statement setting forth why appropriate action was not timely taken to prevent the application from becoming abandoned. Petitioner is advised that, in the event that Schweigman, Lundberg, Woessner, & Kluft, P.A. does not provide such a statement, petitioner should submit a copy of such letter and a copy of the return receipt.

PATENT PROTECTION FOR HIGH TECHNOLOGY

Mr. John T. Kalnay

Independence, OH 44131

Dear Mr. Kalnay,

In response to your letter of February 26, 2008, here is a statement setting forth why Schwegman, Lundberg, Woessner & Kluth, P.A. ("SLWK") did not act to prevent the application associated with U.S. Patent Serial Number 10/675,178 (the "Application") from becoming abandoned:

1. SLWK received a copy of the Decision on Petition to Withdraw from Record (the "Decision"), mailed to us by the Patent Office on June 25, 2007. This Decision was made in response to the Request for Withdrawal as Attorney or Agent and Change of Correspondence Address (the "Request") that SLWK filed on January 9, 2007 to withdraw as attorneys of record in this matter, and to change the correspondence address.
2. The Decision indicated that the Request was approved in part by the Patent Office. That is, withdrawal was approved, while changing the correspondence address was not. Nevertheless, the Patent Office indicated in the Decision that further communications would be sent to the first-named signing inventor of record.
3. In addition, the Decision itself noted that copies of the Decision were sent to the first-named signing inventor of record, as well as to the firm of McDonald Hopkins, Co. LLP, which SLWK understood to be the new counsel of record.
4. The Decision also noted the existence of an outstanding office action for this matter, with a mailing date of February 23, 2007. Thus, a response could be timely filed (with extensions) by the new counsel of record up until August 23, 2007 - roughly two months after the mailing date of the Decision.

PATENT PROTECTION FOR HIGH TECHNOLOGY

5. Given that the Patent Office approved the withdrawal of SLWK in response to the Request, that a copy of the Decision was sent to another law firm, and that there was almost two months left to respond to the outstanding office action, SLWK believed that the other law firm would be handling the outstanding response. Therefore, SLWK had no intention that prosecution of the Application should be abandoned.

6. Since the Decision indicated no further correspondence from the Patent Office would be sent to SLWK, the file for the Application at SLWK was closed, and no further action was taken.

Please let us know if you need any further information.

Sincerely,

Mark V. Muller
